**DEADLINE FOR OFFICIAL/UNOFFICIAL/PERSONAL NOTICES IS WEDNESDAY, 9 A.M.**

## **OFFICIAL**

**DISCRIMINATION COMPLAINTS:** Whenever a KSC employee or applicant for employment believes they have been discriminated against based on race, color, religion, sex, national origin, age, or handicap, the employee **must contact an EEO Counselor within 45 calendar days** of the incident giving rise to the complaint. An informative Equal Employment Opportunity Program poster with counselors' identities and further complaint information is on all KSC Official Bulletin Boards. EEO Counselors are trained to inform you of your rights, answer your questions, and can do limited fact finding into your allegations. Counseling is a confidential process, and only the employee can authorize a counselor to discuss his or her issues with another party. For further information, contact the KSC EO Office at 867-9165. (AJ)

**INSPECTOR GENERAL:** The Office of Criminal Investigations (OCI) is the investigative arm of the NASA Inspector General (IG). The OCI is an independent entity and reports directly to Robert Cobb, the NASA IG, in Washington D.C. The primary mission of this component is to conduct criminal and civil investigations of reported or suspected fraudulent acts by employees, contractors, and others relating to the administration of NASA contracts and programs. Although emphasis is placed on major procurement fraud, (particularly allegations of defective/substandard parts, mischarging, kickbacks, bid rigging, and research fraud), investigations are also conducted of theft, conflict of interest, environmental and hazardous waste violations, health care fraud, and computer related crimes. OCI also provides fraud briefings for Government and contractor employees that are designed to highlight potential risks concerning fraud and related matters. Suspected violations can be reported by calling 867-4714 locally, the toll free Hotline at 1-800-424-9183, or by writing NASA Inspector General, P. O. Box 23089, L'Enfant Plaza Station, Washington, D.C. 20024. The OIG Cyber-Hotline can be accessed at [www.hq.nasa.gov/office/oig/hq](http://www.hq.nasa.gov/office/oig/hq). (OIG)

**CELL PHONES, COURTESY AND THE WORKPLACE:** For many cubicle dwellers as well as for nearly any meeting, cell phones are a distraction. Not only is the ringing an irritation after a very short while, but the resulting conversation is often a positive distraction, unless of course it is your phone and your conversation. No, there are no policies or rules against cell phone usage at KSC, except you can't use them while driving a government vehicle. But, there is courtesy and common sense; and these urge you to keep your distractions at a minimum. So, the next time you just have to talk on your cell phone, try and do it outside of a common work area, maybe someplace where you can have some privacy. When driving, picture the oncoming car driver as having just consumed three martinis, that person would have the same degree of driving ability as you do while on your cell phone. Modern technology is wonderful, but there are limits. (BA)

**SAVE THE DATE:** **Saturday, October 29, 2005,** 6:00pm to 12:00 midnight, Holiday Inn Express Convention Center, Cocoa, Florida. Just the right time to kick up your heels, pass out those dance cards, celebrate STS-114's successful mission, your birthday, your Mamma's birthday...gear yourselves up to shake, rattle and roll to the sounds of D.J. Sam Riveria. Lots of fun, loads of food! Put on your desk calendar, wall calendar, blackberry and whatever technical gadget you have and **"Save the Date,"** for our 2005 KSC Diversity Month Celebration - Remember the Theme: Diversity....."We All Smile the Same Language"

Points of Contact: Dee at 7-9276 or Wanda at 7-9165 (XA)

**THE CAPE CANAVERAL SPACEPORT HISPANIC HERITAGE MONTH:** Kennedy Space Center will observe Hispanic Heritage Month from September 15 through October 15 2005. The theme is "Hispanics...Diversifying and Strengthening America". During this time we reflect on the extensive contributions Hispanics have made to KSC, NASA and the nation.

The Hispanic Employment Program Working Group will host its 20 annual Hispanic Luncheon at the Kurt Debus Conference Center on Friday, September 23, 2005, from 11:30 am to 1:00 pm. Our festive environment will provide delicious Hispanic food and live cultural entertainment. The Guest Speaker is Sylvia Cáceres, Puerto Rico Federal Affairs Administration Regional Director in Florida. Luncheon tickets can be purchased for only \$15.00 per person from fellow employees listed below. Last year's event was a sellout and we anticipate this event to sellout as well, so purchase your ticket early. Allow extra time for security checks. Be aware that entrance to the Kurt Debus Conference Center will require all participants to comply with security checks by the Visitors Center Security personnel. All bags will also be checked. (AJ)

## KSC/CCAFS HEALTH EDUCATION & WELLNESS PROGRAM

Current Website: <http://sgs.ksc.nasa.gov/sgs/sites/other/chs/omehs/occmed/home/index.cfm?page=hew>  
Soon to be Released Website: <http://www.hewp.ksc.nasa.gov>

**SEPTEMBER 2005 FOOD SAFETY:** September is National Food Safety Education Month. Not only is it important to know how to properly handle food on a day-to-day basis, it is also important to know how to handle food and water during power outages and when in outdoor environments, particularly during hurricane season.

Hardcopies of the packet will be available at all medical and fitness facilities. If you or your department/organization would like to be added to the monthly packet hardcopy distribution list, please call Kris Calderon at 867-3414. The food safety packet will also be available on the soon-to-be released *new HEWP website*: <http://www.hewp.ksc.nasa.gov>. It is expected that the new website will be live by mid September.

## FUEL 4 WOMEN

**The KSC/CCAFS HEWP has launched a new women's health program titled *Fuel 4 Women*.**

***Fuel 4 Women Newsletter:*** This month's *Fuel 4 Women* newsletter is on menopause. The newsletter will be available at all spaceport clinics and fitness centers and will be distributed at this month's Health Education Information Table.

**Screening Recommendations:** According to the National Osteoporosis Foundation, all men and woman 65 years or older should be screened. All postmenopausal women younger than 65 presenting with fractures, all postmenopausal women younger than age 65 with one or more risk factors for osteoporosis, and women on hormone replacement therapy for prolonged periods are also recommended to get a bone density screening. In addition to women, men younger than 65 should get a bone density screening if presenting with fractures from little trauma, or have other significant risk factors for osteoporosis.

***Fuel 4 Women List Serve:*** All women at the spaceport can join the Fuel 4 Women list serve where monthly newsletters and program announcements will be e-mailed to list serve members each month.

Please contact Jessica Crews, Health Education Intern at [Jessica.Crews@jbosc.ksc.nasa.gov](mailto:Jessica.Crews@jbosc.ksc.nasa.gov) for more information about or ideas for *Fuel 4 Women* and to join the list serve.

**NEW EXTERNAL HEWP WEBSITE:** The HEWP website will have a new look and will be available outside the KSC firewall! This means that you can access the HEWP website from anywhere on the web. The new website is expected to be live by mid September and will be located at <http://www.hewp.ksc.nasa.gov>.
